**WORK PLAN APPROVAL - MONITORING WELL ABANDONMENT, FORMER C-6  
FACILITY, PARCEL C, LOT 8, BOEING REALTY CORPORATION, TORRANCE  
(FILE NO. 95-036, SLIC 0410)**

Dear Mr. Mossman:

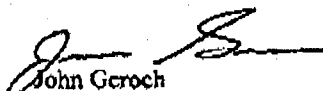

We have received the your letter dated October 13, 2004 titled "Abandonment of Four Groundwater Monitoring Wells, Boeing Realty Corporation, Former C-6 Facility, Parcel C - Lot 8" (Letter). The Letter requests a revision to a previous request to close and replace four groundwater-monitoring wells. The previous request was dated March 31, 2004 and is titled "Request for Closure and Replacement of Groundwater Monitoring Wells TMW-01, TMW-02, TMW-08 and TMW-09."

Due to the current grading schedule for the site, Boeing Realty Corporation (BRC) proposes to abandon wells TMW-01, TMW-02 and TMW-09 in October 2004 and maintain well TMW-08 for use in future groundwater monitoring.

We have reviewed your request and concur with BRC's revised plan for these four monitoring wells. Please provide a letter report documenting the proper destruction of wells TMW-01, TMW-02 and TMW-09 by December 31, 2004.

Please contact me at (213) 576-6737 if you have any questions.

Sincerely,

  
John Geroch  
Associate Engineering Geologist
